A HEART FOR THE HOUSE

# Who would have thought....

A pandemic. Can you believe it? We lived through a pandemic and thrived! Our mission was unchanging, our determination to love was inspiring. I have never been prouder to stand by my RWC family! Every obstacle turned into an opportunity. The gospel remained the focus.

As we continue to connect believers and the unchurched with their divine purpose, be encouraged that the best is yet to come! We are making history. We are the correct people, living in the best time! God chose us!

We dared to believe past our limitations. We chose to believe and today we continue to say, Yes.

RWC Family - Thank You.

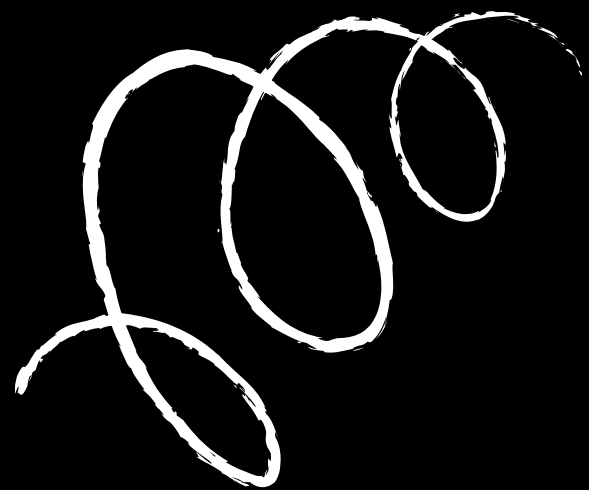

Let's go for more.

# OUR ANCHOR WAS HIS WORD

## BLINDSIDED

What if God is using this blindsided experience so that we may prioritize faith and persist in his ways.

Psalms 34:4 I sought the Lord, and he answered me and delivered me from all my fears.

## UNSHAKEN

If my prayer is me-centered instead of God centered then they are nothing more than meaningless words.

1 John 5:14 And this is the confidence that we have toward him, that if we ask anything according to his will he hears us.

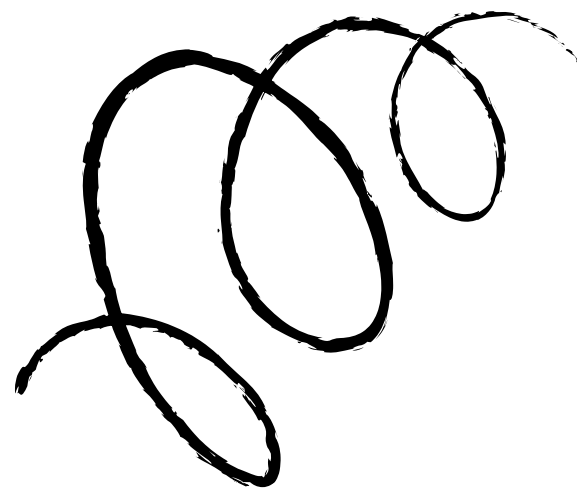

## FINISH STRONG

God is capable of meeting all of your needs.

Philippians 4:19 And my God will meet all your needs according to the riches of his glory in Christ Jesus.
